CARGO-DRY®

—Cargo Guard-2000

Moisture Damage

For many years, thousands of containerized cargoes are damaged by moisture problems. When the containers arrive at the destination, metal is found to be rusty or oxidated, cartons become soft and moldy, bulk coffee, cocoa, beans may be damp, musty..., such losses sometimes costs several million dollars. It is caused by two main reasons:

Container Rain and Cargo Sweat

Container Rain: Picture1 Picture2

Musty Cargo: Picture1 Picture2

Moldy Pallets: Picture1 Picture2

Container moisture solution

For containerized cargo damp problems, we provide a solution, **TOP-SORB** series container desiccants, which create a dry environment in the container. It can effectively adsorb humidity, and control “dew point” temperature below the actual temperature, and thus prevent mildew, rust formation.

Cargo-Guard®

Cargo-Paste®

Cargo-Care®

Specifications:

Cargo-Guard®: 2000g, with hook, can be hung on the hoop, mainly prevent “Container Rain”.

Absorbent: active mineral; Adsorption capacity: **80%**

UNITED-PORTS
One Call, Total Delivery

Cargo-Paste®: 125g, 200g, 250g, can be pasted on the package surface of cargo or pallet, mainly prevent "Cargo Sweat". Absorbent: CaCl₂; Adsorption capacity: **200%**

Cargo-Care®: 500g, can be placed freely inside the pallets, between the cargo, or on the container floor, mainly prevent pallet mould and floor condensation
Absorbent: active mineral; Adsorption capacity: **80%**

Recommendation:

According to the test results of authoritative international organizations, **Cargo Guard -2000 keeps absorbing moisture for 60 days**, absorption capacity up to 80%, continuously reduce the relative humidity and protect the goods in the whole period of shipment.

Since its launch, **Cargo Guard -2000** is widely accepted and hot demanded by the users in the domestic and international market, due to its significant moisture absorption capacity, low cost, attractive design and simple operation. It has become a star product in **TOP-SORB**.

Strongly suggest that you try **Cargo Guard -2000**!
