CARGO-FORCE —Cargo Bar& Hoop

Cargo Bar& Hoop is an excellent tool for cargo's packing, loading and shipping. It plays a good role in classification, expansion, and reinforcement of cargo. It's made of steel and aluminum, firm and durable, lightweight and portable.

Product Series

CB Series: Used in box cars, containers, trucks for box reinforcement and prevent deformation.

CH Series: Match with CB20、CB30、CB40. Expand the protection area. Installation accessories are included.

Different designs for your option: fixed type、foldable type、and extensible types.
