### **CARGO-FORCE®** —Handwrapper

**Handwrapper** is an easily using hand-held tool, which makes the wrapping film spread apart by the mechanical friction resistance, regulates the wrapping with flexibility. It is an efficient replacement of manual wrapping.

#### **Product features:**

1. Easy operation, a great extent in time saving.
2. Compact in size, portable for carrying.
3. Suitable for small-sized articles or bulk cargos' wrapping together with pallet, especially for outdoor operation.
4. Available in going around the cargo at different angle and shape.
5. Metal in texture, not being rusty.
6. Paper core spec.: 3.8-5-7.6mm.

#### **Wrapping around to fit varying shapes and angles**

##### **Application:**

It is widely used in various industries, suitable for packing of cartons, paper, parcels and letters, medical kit, light industry products, hardware, ceramic, auto parts, common supplies, culture and sporting goods, device and element, metal material and other cargos in all kinds of sizes.
