CARGO-MOVE

—Manual Hydraulic Stacker

Manual Hydraulic Stacker makes the material's lifting, stacking, positioning and moving an easy job. With it, your work becomes faster, safer and easier..

SFH Series

*High quality cylinder, good pressurization, safe, labor-saving.

SDJ Series

- * Available for both foot and hand lifting, easy to control;
- * Different types in option: fix fork & mobile fork, general leg & cross leg
- *Each stacker comes with a set of sealing ring.

SFH10-W1.0M

SDJA1000

PZ/MT Series

*Top quality hydraulic pump and imported seal cylinder, compact design reduces maintenance cost and improve work efficiency;

*Heavy duty "C"-shaped steel frame in greatest strength, suitable for ramp operation and speed control with brake device;

*PZ series adopts high-grade steel frame construction, ensure safe and long use;

*Good mobility, easy to operate;

*It must be symmetric operation during adjust fork width to prevent uneven loading;

*Overload is strictly prohibited to ensure safety.

SDJA1000

PZ2016

Quality certificate

Conforms to EN1757 Standard
