CARGO-MOVE

—Platform Truck (Heavy duty)

Platform Trucks (Heavy duty) can be classified as several types according to the material of platform, normally being equipped with 2 swivel castors and orientated castors. It is a good choice for manual cargo handling and moving.

Product Types & Features

* Steel-Platform Truck

big load capacity(450kg), flexible operation, suitable for workshop, warehouse etc.

*All-Aluminum-Made Platform Truck

strong bearing capacity, flexible operation, rustless, easy clean, widely used in meat, food industries.

* Plastic-Platform Truck

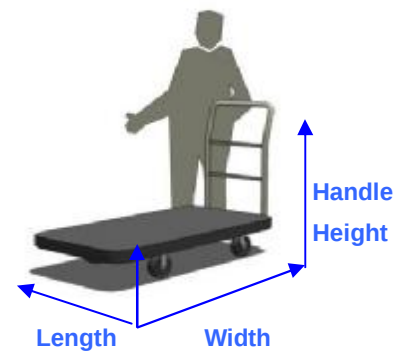

reinforced bottom, great load capacity (400kg,1500kg), suitable for warehouse, post, offices etc.

*Wooden-Platform Truck

rub castors, great load capacity (250kg, 600kg).

*All-Steel-Made Platform Truck

extremely durable structure, Especially suitable for big heavy cargo moving.
