CARGO-MOVE

—Skates Fixed Type

Skates Fixed Type can be equipped with roller crowbar or a jack to lift goods, allowing the skates to be easily position-set. It can be used wherever heavy objects need to be moved.

Product features

- *The large diameter sealed nylon rollers ensure easy movement and spread the load;
- *Protect high-quality floor from damage caused by heavy load and oil/grease contamination.;
- *Maintenance free, fitted with handles for ease carrying and positioning;
- *The platforms of the skates are fitted with a rubber surface to ensure stability and protect the objects being moved.
