CARGO-MOVE

— — Wire Carts

MW605

MW705

Wire Cart is an internal transportation tool, stable and easy to operate. It combines the characteristic of steel mesh shelves with the mobility of caster and trolley, and becomes a high-quality, solid and multi-purpose material handling cart.

Product Features

- * Two-way U-handles, chrome-plated carbon steel, adjustable shelf height and spacing.
- * Steel wire board is strong and durable, clean and transparent, especially suitable for clean room application to meet laminar flow requirements.
- * Caster crashworthy lap, prevent the collision damage when moving.
- * Open steel mesh surface can reduce dust accumulation, make the air free flow, keep good visibility.
- * Clapboard can be adjusted along the pillars with each 1 inch (15.4mm) increment.
- * NSF Certification.

Product Application

Widely used in industrial production line, catering service, medical service, office administration, warehousing , flat packing, etc.

Specification

Model	Load (kg)	Length (mm)	Width (mm)	Height (mm)	Shelves
MW605	171	914	457	965	2
MW705	171	914	457	965	3
