CARGO-SORT® —CNC Storage Shelf

AJDJ-BT40C

AJDJ-BT50C

CNC Storage Shelf is a kind of storage rack with simple structure, suitable for high frequency work without strict closed-management on tools'sort.

Product Features

- * The adjustable feet cups make it safe to store cutting tools when the floor isn't flat.
- *The shelf with casters makes it convenient and quick to store and transport.
- *The hanging board of knife stands can be inclined set at 15°-30°. It's easy for fetch and storage tools
- *Castors are suggested to be installed for easy moving.
