

CARGO-SORT

—Display rack

9T40

Display rack has beauty design and perfectly satisfies your needs of storage, arrangement and cargo carrying. Its high density steel plates with strong load capacity are reliable for storing files and office stationary. With necessary components, it can also be combined into cabinet.

Product Features

- *Aluminium stand posts and steel moulded plates.
- *Fixed rack with moulded stand feet to improve stability.
- *9T42 installed with 4 castors in diameter 12.7cm, two of which installed with brake.
