CARGO-SORT® —Foldable Container

Foldable Container is new series product in line with the implementation of environmental protection and zero inventory plan of modern enterprise. With international pop style, foldable and stackable design, it is widely used in the various logistics system.

Product Features

*The collapsed size is merely 1/4-1/3 of stand size. It is light weight, less space occupied and convenient combined.

*The reinforcing bottom and jointless side plates ensure superior bearing capacity

*The smooth surface of the side plates is easy for print logo or words for distinguishing and advertising need.

*Mechanical removal can be achieved to improve the efficiency of circulation, significantly reduce the users' storage & transportation costs.

Application

It is widely used in logistics and distribution system of chain store, 24-hour multiple shop, large distribution centers, shopping mall, light industry, garments, home appliances, food processing and so on.
