

CARGO-SORT®
—Ladder Cart

DG-I

DG-II

Ladder Cart is made of high-quality steel with surface spraying treatment. Being installed casters, it can be moved freely. When the shelf is higher than a worker, the handling of materials becomes headache. Ladder Cart solves this problem easily.

Product Features

- *High quality steel structure, spray coated surface to prevent rusty
- *Stable, firm, free move.
- *Brake to stop, safe
- *Foldable, save storage space
- *Two types: Light-duty & Heavy-duty, different load for your option
- * Used in the selection, transportation, operation of books, standard parts, and other warehousing work.

Foldable
