—Spill Pallet

SC-SD2

Spill Pallet is made of polythene, with excellent performance of anti-spilling, acid/alkali resistance and anticorrosion. It's used for the moving and handling of liquid materials such as chemical solution, cleaning agent, oil etc, suitable for warehouse, storage house, workshop etc.

Product Feature

- *Great load, anti-corrosion and acid/alkali resistance.
- *Low pallet height, wide forklift socket.
- *Grating panel is easy to load & unload, recycle and clean.*
- It can be single or combined using , keep workshop clean.
- *Special slope to fit anti-spilling pallet, avoid collapse.
