CARGO-SORT®

— Stacking Bin Box

Stacking bin box is easy to assemble, with good strength and small space occupied. It's an ideal choice in logistics application, suitable for the workshop, flow processing, storage, etc.

Product Features

- *Can be stacked together on light or medium-duty shelves and racks.
- * Can be joined side by side, neat and solid.
- * Each bin comes with 4 white connecting pillars to support heavy objects and add fetching space.
- * Dust-proof transparent label attached to the front, easy to replace and manage.
- *Suitable environment temperature:-25℃~60℃, avoid direct sunlight and fire.

A hole for pillar inserted
