CARGO-SORT®

--Tool Cabinet

This series of **Tool Cabinets** are made of high quality steel. Each drawer can bear 60kg. It applies to place tools and lightweight objects. With strong structural design and special surface treatment, it meets the needs of complex work in factory.

Product Features

- * Single track drawer can be pulled out 85%, double track drawer can be pulled out 100%.
- * Excellent bearing track, ensure smooth open and close of each drawer even with maximum load.
- * Adjustable clapboard, classify the tools easily
- * Aluminum alloy handle, renewable labels, nice and practical.
- * Advanced security agraftes prevent the closed drawer from sliding out
- * Safety baffle design, to ensure the drawer will not fall when fully open.
- * High safety, one lock covering all the drawers
- * Drawers in different height are optional.
- * Foot pads prevent damage during moving, easy to be carried by forklift
- * Various colors available.
