

CARGO-TOOL
—Hand Grease Gun

SATA Hand Grease Gun, Professional Grade

- *Available for 3 types: standard barreled, sealed, and bulk grease
- *High-strength pressure-resistant zinc alloy casting front
- *High-strength heat treated spring can ensure pressure perfusion lasting balance
- *Self-locking device makes perfusion safe, convenient
- *Special designed nipple adding steel ball to ensure grease not returning in work
- *97203 adopts comfortable plastic handle design

SATA series

STANLEY series

STANLEY Hand Grease Gun, Professional Grade

- * High-strength pressure-resistant zinc alloy casting front; black anti-wear electrical barrel
- * Heavy industrial heat treated spring ensure start valve durable
- * Self-locking device makes perfusion safe, convenient, no returning.
- *Plastic handle, comfortable hold
- *94-164-23 adopts rough rolling teeth, quick load and unload
- *94-165-23 adopts trapezoidal teeth, effectively prevent grease overflowed when being pressured

Application

Widely used in the repair and maintenance of cars, trucks, tractors, ships, road rollers, mechanical harvesters and large-scale project machine.
