

More protection to your cargo !

Ocean freight is a long journey,
The wind and waves make the container
shaking and bump.
Cargos at stake, collapse and collide ever
and again.
Easily lead to a big loss.

CARGO-FORCE®
Listen to the every heartbeat of cargos.
Remind of your careful attention.
Protect your cargo with care,
Let your cargos stand safely and stably
as rock.
Provide you best packaging and transport
solution.
Make transport and handling simpler !

1. Cargo Protection
2. Wrapping
3. Binding
4. Strapping and Lashing
5. Carton Seal & Open
6. Container Seals
7. Impact & Tilt Indicator
8. Tape
